LAYOUT/CATEGORIES

The core section of each booklet is set out in categories making it easy for services/businesses to be identified. All advertisers are shown under the 'Standard Advert' columns in a set format. We will always try to accommodate your required category but we reserve the right to change categories if necessary. We aim to limit each specific category to eight similar adverts (based on 10,000 distribution).

If you wish to design your own colour advert, you may place a quarter, half or full page advert. All artwork should be supplied via email as a pdf, or jpg file (300dpi). When placing a quarter, half or full page advert a standard advert will automatically be included. If you require help producing your advert there may be an additional charge which will be quoted separately.

LEAFLETS

A maximum of three leaflets may be delivered with the *local Oracle* each month. Leaflets must be no larger than A5 (although may be folded). Leaflets will only be included from current advertisers. Advertisers may choose their approximate areas of distribution.

EVENTS

Events may be placed free of charge in the *local Oracle*. We reserve the right to limit events shown if numbers necessitate.

WEBSITE

A copy of the local Oracle is placed on our website at no extra cost to you. Links are available, where applicable, to your email and website addresses.

STANDING ORDER TERMS & CONDITIONS

Standing Orders should be paid over the first 9 months of the advert leaving 3 months 'free advertising' at the end of the period.

Two months' payment is required with the registration form. A standing order form will then be sent to you and this should be **returned to your bank** asap. The payments will be equally split over the next 8 months. Your second advert will be included once your standing order has been activated. If you are delayed in setting up the payment, you will be required to pay an additional amount up front. If we have not received this amount by the end of your advertising, you will forfeit one of your 'free months' adverts.
